# Annabel Whipp

Doctoral Candidate at University of Leeds  
Leeds, West Yorkshire, United Kingdom

## Experience

University of Leeds

Teaching Assistant

September 2017 - Present

Leeds, United Kingdom

Teaching Assistant on the following modules:

- Research Methods - GIS & Spatial Analysis
- People, Place and Politics
- Geocomputation and Location
- Service Analysis and Planning
- Social Data Analysis

Leeds City Council

Researcher

April 2018 - April 2018 (1 month)

Leeds, United Kingdom

Fulfilled an internship project with Leeds City Council's city centre management department. Analysed footfall data for Leeds city centre and participated in developing a software model which conveys the ambient population.

University of Leeds

Research Assistant

September 2016 - May 2017 (9 months)

Leeds, United Kingdom

Conducted research of archival materials relating to cultures of consumption in provincial industrial England c.1919-1939.

Greggs

Team Member

September 2012 - May 2016 (3 years 9 months)

Huddersfield, United Kingdom

Responsible for bookkeeping and engaging with team members to ensure tasks were completed on a daily basis, furthermore, training new members of staff enabled me to develop management skills. Taught me collaboration

with other colleagues to exceed sales targets and to devise creative strategies during promotional periods.
